Buildings Included in Rental

Craft Hall

The Craft Hall can be used for smaller events of 50 people or less. This hall is also often used for the wedding party to get ready the day of the wedding.

Pavilion

Most wedding receptions take place under the Pavilion. The Pavilion can accommodate up to 200 guests. Tents may be rented through a rental company to accommodate larger weddings. More guests can also be seated outside of the Pavilion.

Dining Hall

The Dining Hall can also accommodate wedding reception's or large gatherings up to 200 guests. The Dining Hall can also be used as a back up plan when having the event under the Pavilion in the case of bad weather.

Bathrooms are located in the Dining Hall.

Krell Cabin

This small cabin is in a remote location with a patio facing the lake. Many wedding parties use this cabin for the bride and her bride's maids to get ready the day of the event.
